I can't believe we didn't know each other before this year. It seems like I've known you for along. Gymnastics was great It wouldn't have been as fun without you. shar & Laurie are thinking about working out someplace for Gymnastics I told her to give me a call it they found a place. I really wish that your knee hadn't given out at camden's meet that was really hard to take I know. But you got through it.

you have a great where in Gymnastics and Dancing so make the best of it! Have a supersummer! (205-1309) Love

... COMMITMENT

... DEDICATION

A soft patient smile is the trademark of this understanding teacher. Her quiet dedication to Prospect's students is shown again and again in her busy schedule. This generous person is none other than Mrs. Joan Shahan.

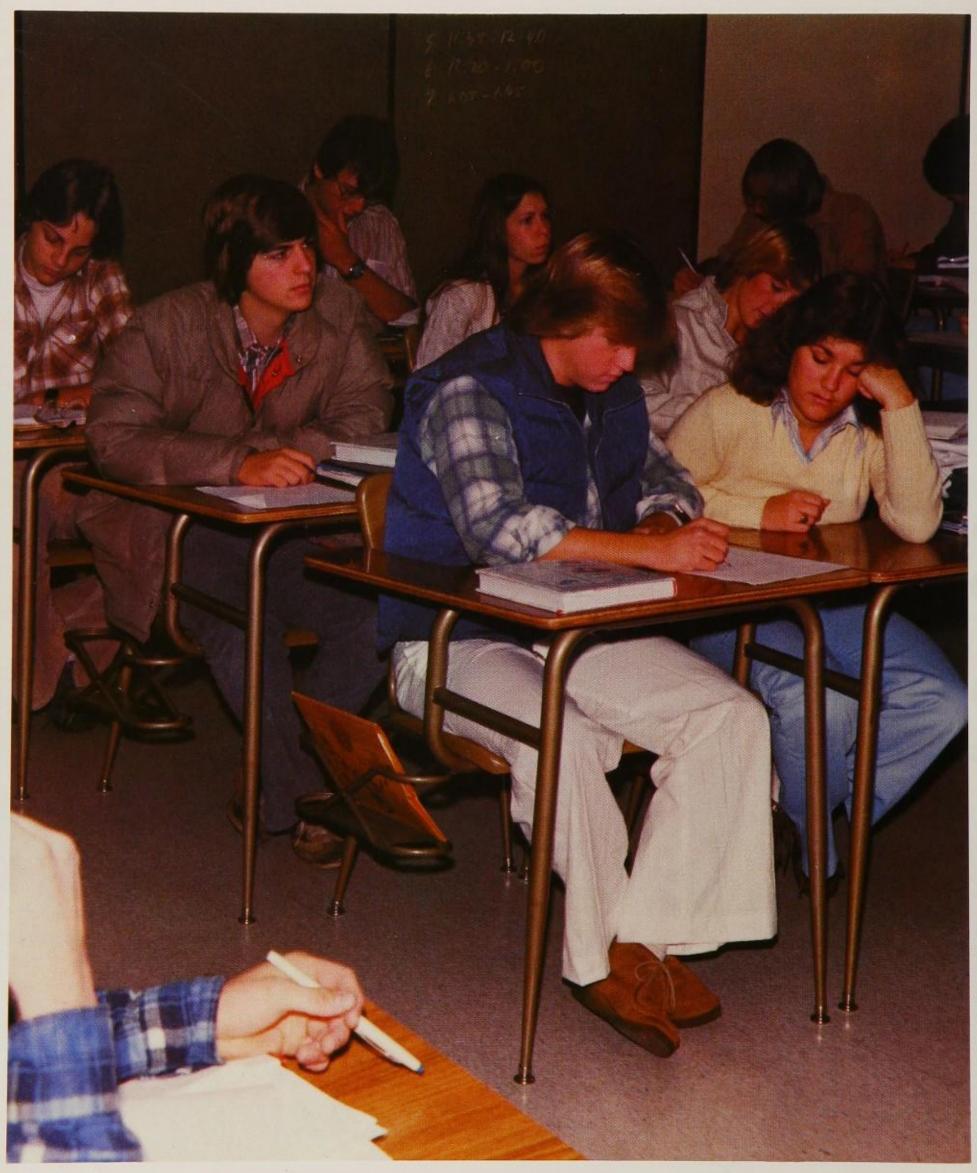

Mrs. Shahan has her hands full. Being the advisor of our school newspaper is a job in itself. However, her work extends even further. She is also chairperson of Prospect's English Department, which puts her in charge of making sure the entire English Department is functioning smoothly.

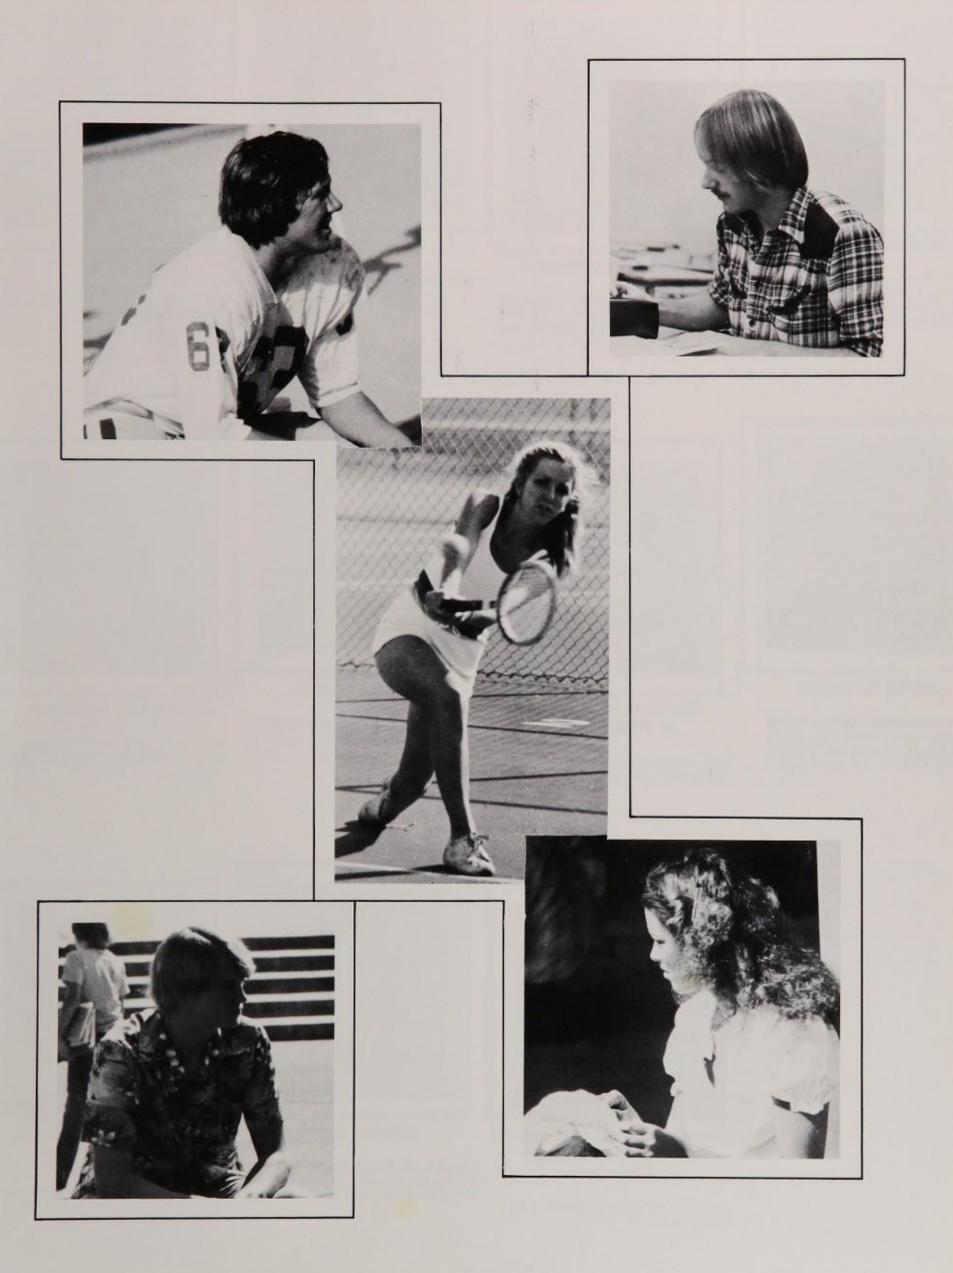

Not only does she manage both of these jobs with ease, but she also teaches English to many of our students. Perhaps the greatest tribute to her teaching ability is reflected in the number of alumni who return each year to visit her.

Because of her many dedicated hours helping the students of Prospect, we would like to dedicate the 1980 Paragon to Mrs. Joan Shahan, a truly special person.

... COMMITMENT

... DEDICATION

A soft patient smile is the trademark of this understanding teacher. Her quiet dedication to Prospect's students is shown again and again in her busy schedule. This generous person is none other than Mrs. Joan Shahan.

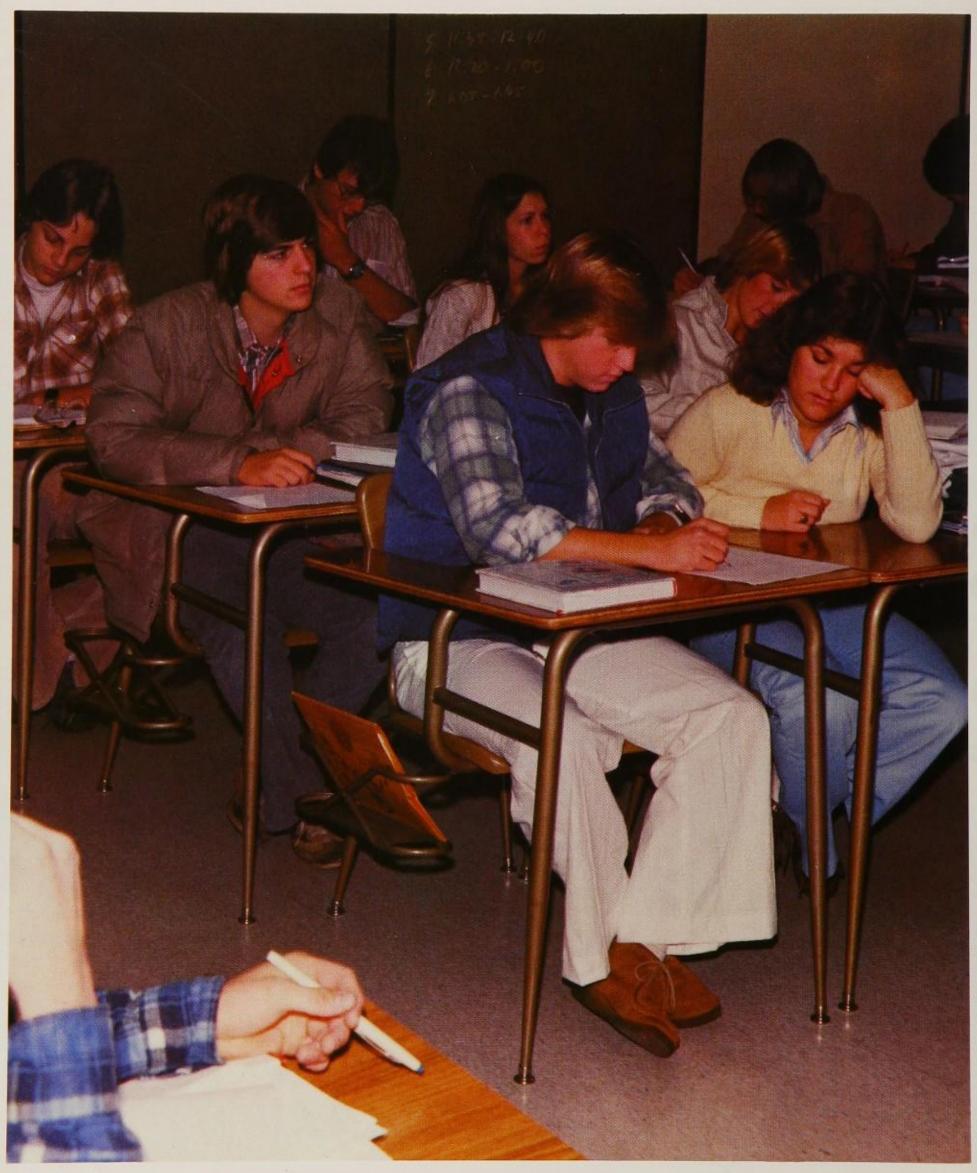

Mrs. Shahan has her hands full. Being the advisor of our school newspaper is a job in itself. However, her work extends even further. She is also chairperson of Prospect's English Department, which puts her in charge of making sure the entire English Department is functioning smoothly.

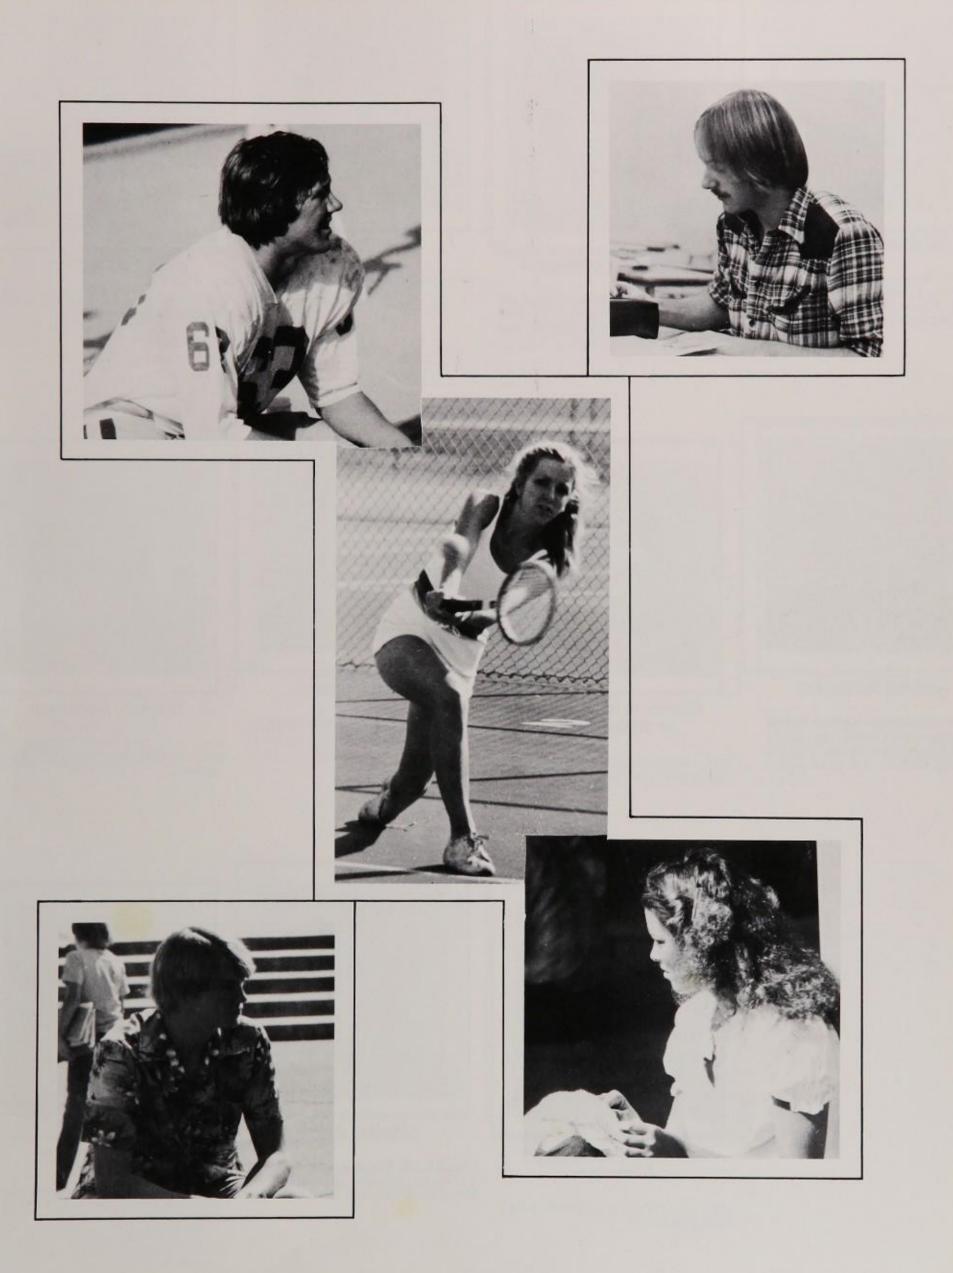

Not only does she manage both of these jobs with ease, but she also teaches English to many of our students. Perhaps the greatest tribute to her teaching ability is reflected in the number of alumni who return each year to visit her.

Because of her many dedicated hours helping the students of Prospect, we would like to dedicate the 1980 Paragon to Mrs. Joan Shahan, a truly special person.
